A Frosty Awakening	Duncan Myers	7	8	7	22	7	7.5	8	23	6	6	6	18	20.8		very striking image, nice contrast between the fire and silhouette, good composition, not a true night image for this clinic, nice to see that the fire is not blown out, your eyes are drawn everywhere throughout the image	
Christmas Train 2019	Cheryl Lalonde	8	8	7.5	24	8	8	9	25	8	10	10	28	25.5	HM	good choice of shutter speed and ISO, good capture of the true colours	
Aurora Over Sask Crescent	Ian Preston	8	10	8	26	9	9	9	27	9	10	10	29	27.3	PM	a beautiful display of aurora, good exposure balance, technically well done, nice composition, nice balance between sky and foreground, crop off the tree at the right edge of frame (above house), beautiful showcase of our city, all around awesome
