

# Saskatoon Camera Club Summer Fun Schedule

Tuesday June 8<sup>th</sup> at 7:00 PM — **Patterson Garden arboretum**

Location: Preston Ave North

Contact: Bruce Guenter

Patterson garden contains one of the most diverse collections of trees, shrubs, and vines in the Prairie Provinces, approximately 800 in all. It is frequently used for portrait photo sessions.

Friday June 25<sup>th</sup> at 7:00 PM and Saturday June 26<sup>th</sup> at 8:00 AM — **Northeast Swale**

Location: RR 3050 north of Fedoruk Road

Contact: Howard Ruston

The Northeast Swale is a native prairie with wetlands, a wildlife and bird haven.

Saturday July 10<sup>th</sup> at 6:00 AM and 6:30 PM — **Morning light and evening light**

Location: Donna Birkmaier Park

Contact: Mary Lou Fletcher

Join us in the morning as the sun rises over the park, or in the evening for sunset light, or both.

There is a pond and naturalized areas, the bike trails are open, and there are lots of people making use of the park for sports.

Saturday July 24<sup>th</sup> at 10:00 AM — **Wanuskewin Heritage Park**

Location: Access off of Wanuskewin Road just south of Highway 11

Contact: Bruce Guenter

Wanuskewin is a unique site that interprets over 6,000 years of Northern Plains Indigenous Culture. There are opportunities here for landscape, wildlife, abstract, architecture, and possibly action photography if you take in a dance presentation later in the day. Note that there is an admission fee.

August 10<sup>th</sup> at 7:00 PM — **Saskatoon Zoo and Forestry Farm**

Location: Forestry Farm Park Road; meet at zoo parking lot

Contact: Rhea Preete

This is a visit to the zoo, or to photograph the gardens, butterfly house, etc.

September 4<sup>th</sup> — **Night photography**

Location: TBD

Contact: Colin Chatfield & Tara Magee

Sunset will be at 7:46 PM and twilight after 9:03 PM
